FOR IMMEDIATE RELEASE

FAIR ISLE OPENS AS PLANNED

RIVERSIDE & MORENO VALLEY – The California Department of Transportation (Caltrans) announces the reopening of Fair Isle on Friday, March 16th on or before 4:00 p.m. The closure was necessary to raise the roadbed approximately 1.2m (4') at the intersection of Fair Isle Drive/Box Springs Road/Sycamore Canyon Boulevard. This new elevation was necessary to meet the new improved Box Springs Bridge. The closure also enabled the contractor to construct drainage structures, curb and gutters, and complete electrical work.

Caltrans would like to thank motorists for their continued patience and support during the 60/91/215 improvement project. Caltrans asks that motorists please be aware of the construction area and always make a point to ***SLOW FOR THE CONE ZONE***.
